

Anarchive – Concise Definition by senselab

<http://senselab.ca/wp2/immediations/anarchiving/anarchive-concise-definition/>

Robbie Barrat, Seth Thompson, The Artist, The Curator, and the Neural Net: A Conversation with Robbie Barrat <https://yalepaprika.com/articles/the-artist-the-curator-and-the-neural-net-a-conversation-with-robbie-barrat>

And maybe this would be nice too, but it is also from my own work (maybe not a good idea) : Distant Movements & Distant Feelings <http://www.bram.org/distantF/> (Share an interface eyes closed and no talking) & <https://aabrahams.wordpress.com/2018/10/22/distant-movements-2/> (dancing together in front of a screen, while the eyes are closed)
